

Welcome to Fremont Township Cemeteries Isabella County Michigan

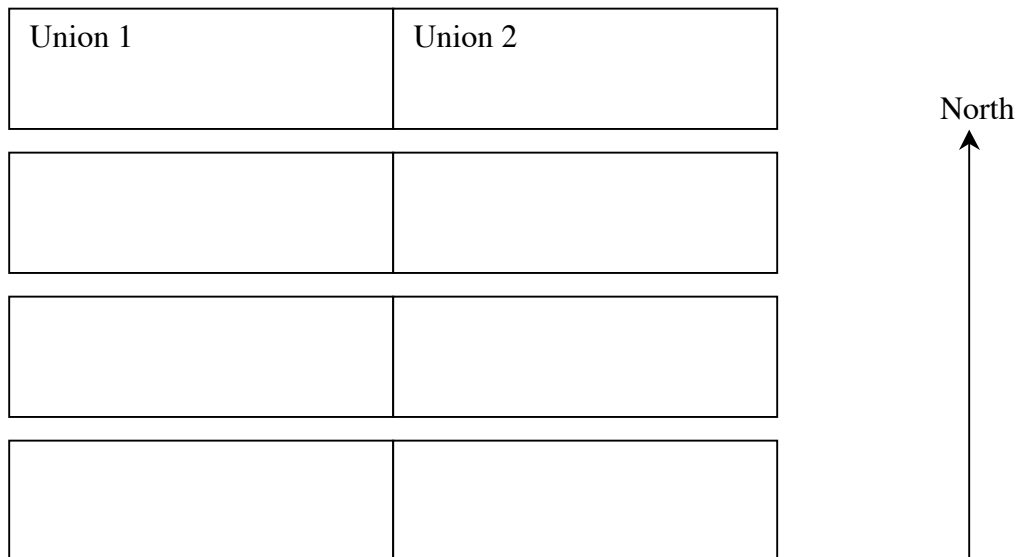

Located almost in the center of Michigan's lower peninsula

This file is used for the purposes of locating occupant plots in Sections one (1) and two (2) of Union Cemetery and Taylor Cemetery.

The program contains listings of all cemetery plot owners and occupants in those plots.

Using Adobe Reader® as the universal file reader, owners and occupants can simply be found by just typing either a first name or last name, or both. On all reports is a cemetery plot locator number (for the maps) that reads from left to right. It is useful in finding the actual plot since the numbering system in the cemeteries date back to the early 1800's, and many times the plot numbering was started over and in some cases was numbered from right to left, then from north to south, or south to north. The smaller number on the map locator represents the map locator, while the larger number is the actual plot number as laid of the course of almost two centuries.

Union cemetery is divided into 8 maps, while Taylor contains only two. When attempting to locate a plot on the map, first find the individual occupant or owner, and write down the map locator number, including the cemetery name, i.e. Union 1 or Union 2, or Taylor. Using the locator number, determine the map by finding the number in the bookmark that contains that number. When the map opens, read the small number from left to right until you find the map locator number. Note: Some lots are sold as 1/2 lots. Only the North 1/2 shows on the map with the name of the owner of the north lot, even though occupants may be interred in the South 1/2. Symbols are N1/2 for North 1/2 and S1/2 for South 1/2. The following drawing indicates the layout for Union 1 and Union 2 Cemeteries

Lot plots are laid out from north to south, with the 'A' plot being the north, followed by 'B', 'C' and 'D'. Taylor cemetery is laid out the same way.

Union cemetery is located at the corner of West Blanchard Road and Littlefield Road, while Taylor cemetery is located 1/4 west on Taylor Road near Vandecar Road. Taylor road is 1/2 mile north of Blanchard Road.

For further information please contact the township clerk, John Schimmelmann at 989-866-2512.
